

Harrow International School Beijing
Saturday School English Language Programmes

Cambridge Young Learners & English Activities

Introduction

For children aged 7-10, We offer the complete Cambridge suite of Young Learners courses. In these classes, children use colourful, attractive textbooks and many other materials while learning English in a friendly environment. Our intention is to provide these students with the best possible introduction to and basic use of English, and so stimulate their interest and give them a foundation for further progress in future.
