

Harrow International School Beijing Saturday School English Language Programmes

Cambridge Key English Test (KET)

Full Day Course

Introduction

Moving on from the Young Learner courses, students who take the KET course will be presented with more challenging listening, reading, writing and, most importantly, speaking exercises. Our aim is to give the students the ability to function well when using English in certain situations, and to help them to develop their fluency and confidence with the language.

KET is the first level Cambridge ESOL exam. It is Level A2 of the Council of Europe's Common European Framework of Reference for Languages. Although the exam is at a basic level, it helps you to find out your strengths and weaknesses. You can then plan further study and go on to take PET (Preliminary English Test) and the other Cambridge ESOL exams.
