Our School and Community

Harrow Beijing offers a British standardised English language curriculum to students aged 2 to 18. Our campus (Pre-Nursery to Year 13) in Hegezhuang is located in the Chaoyang District of Beijing.

Harrow Beijing is affiliated with Harrow School London through AISL Harrow Schools with 13 international campuses across Hong Kong (China), Japan, Mainland China, and Thailand. All schools share Board of Governors with Harrow London.

Our mission statement of 'Educational Excellence for Life and Leadership' is evidenced through our co-curricular activities (CCA) and students belong to one of six Houses. We focus on developing the whole student with the skills and attributes to be lifelong learners and to take ownership of both their academic journey and social development. Students are supported by strong pastoral and Well-Being programmes along with rigorous academic guidance.

Our Application Procedure:

We allow 12 university applications per application cycle; UCAS and UC both count as one.

We do not simultaneously support an ED application to the United States and an application to University of Oxford or University of Cambridge.

We do not rank students or calculate GPA.

Academic Rigor:

Demanding = Three A-levels: Standard Curricula for most students
Very Demanding = Four A-levels or Three A-levels and EPQ
Most Demanding = Four A-levels and EPQ

Our Transcript:

Transcript includes internal grades, i/GCSE final results, AS final results and A-level predicted grades. We ask students not to take i/GCSE, AS/A-levels or EPQ externally as we are unable to give predicted grades and these courses are not reported on our school transcript.
